

RETAIL + DESIGN + CONSULTATION  
+ INSTALL + MAINTENANCE

Our primary focus as a garden services company is to provide the best possible service for our clients.

Our garden services include garden design, garden consultation, garden construction, garden installation, garden maintenance, irrigation installation & maintenance, low voltage lighting, carpentry, masonry, green roof installation, greenwall installation, custom wood and metal fabrication, street tree plantings, site work, furnishings, holiday decorating and snow removal.

We are qualified and experienced handling all aspects involved in creating and maintaining a garden in an urban environment.

These images represent an array of projects recently completed by our company.

Please feel free to contact Dimitri Gatanas at [Dimitri@UrbanGardenNYC.com](mailto:Dimitri@UrbanGardenNYC.com) for more information about our services.
